JUBILEE YEAR 2025- A YEAR OF HOPE

Series of reflections

Indulgences

The Jubilee Indulgence is a concrete manifestation of God's mercy, which goes beyond and transforms the boundaries of human justice. This treasury of grace entered human history in the witness of Jesus and the saints, and by living in communion with them our hope for our own forgiveness is strengthened and becomes a certainty. The Jubilee indulgence allows us to free our hearts from the weight of sin because the reparation due for our sins is given freely and abundantly.

In practical terms, the experience of God's mercy involves some spiritual acts indicated by the Pope. Those who cannot make the Jubilee pilgrimage due to illness or other circumstances are nonetheless invited to take part in the spiritual movement that accompanies the Jubilee year, offering up the sufferings of their daily lives, and participating in the Eucharistic celebration.
