Feasibility study

Bishop Hennen has begun a feasibility study throughout the tri-county area to assess the possibility of a new Catholic high school in Central Oregon. It would serve students from Deschutes, Crook, and Jefferson counties. Please click on the QR code to see the website for the proposed Catholic high school, Xavier Prep. In the coming weeks, we will conduct surveys and focus groups which will help complete the study. It is important that we get as many responses as possible, and the Bishop asks for your participation. Please share this with other families! Thank you!

Cathedral Conservation Collection

Please join us in supporting the seventh annual Cathedral Conservation Collection (CCC), located in Baker City. it is the Cathedral parish of the Diocese (The Mother Church) and continues to operate as our diocesan community's spiritual home. An impending project which will need attention very soon is the restoration of the first 10 stained glass windows. Your donation to this CCC Campaign will continue to support repairs, restoration and preservation of the Cathedral. We extend our heartfelt gratitude to all who have supported and continue to support this vital effort to preserve our beloved Mother Church.
